RUNNERS' INSTRUCTIONS

THE START - The race HQ is at the Blackbrook Leisure Centre and Spa in Blackbrook Way TA1 2RW in the Holway area of Taunton, signposted from M5 junction 25.

CAR PARKING will be on the playing field next to Centre, behind the Swimming Pool. Please use the main entrance and follow Marshals' directions. Please do not inconvenience local residents by parking in the adjacent roads, as these form part of the diversion keeping traffic away from the Start. After parking follow the signs around to the front of the Centre building. Runners' entrance is down the side of the Sports Hall towards the Finish point.

RUNNING NUMBERS with timing chips will be available for collection on raceday from 8.30am in the Sports Hall at the Centre.

Please arrive in plenty of time to park, collect and fix on your number before the Start at 11.00am. You need to provide your own safety pins.

Wear your number on your FRONT so it can be seen clearly as you cross the Start and Finish lines.

You are encouraged to come ready to run or to change in your car. Limited **CHANGING FACILITIES** are available at the Centre. Articles are left there ENTIRELY AT OWNER'S RISK. Toilets and limited shower facilities are available within the Centre. Additional toilets will be provided at the side of the Finish straight.

THE ROUTE - Assemble at the Start in the road immediately outside the Centre at 10.50 am. The route proceeds along Blackbrook Way, Chestnut Drive, right into Upper Holway Road, left into Holway Avenue, South Road, Stoke Road (crossing Chestnut Drive) and out into the countryside along narrow roads through Stoke St Mary, turning left at the village hall towards Henlade, left past the golf driving range, through Haydon. At the end of Haydon Lane turn right onto the pavement along Chestnut Drive and Blackbrook Way to the Finish at the Centre. Distance markers will be placed at kilometre intervals. Runners are requested to keep to the left hand side of the road at all times (except for the pavement section) and to comply with instructions from Marshals. Some parts of the course are narrow. **Roads are NOT completely closed to traffic.** The course has been measured using a bicycle fitted with a Jones Counter, as required by England Athletics.

UKA Rule 240 S5 Supplement states "**the wearing of headphones**, or similar devices, (other than those medically prescribed), **is not permitted** in races on any single carriageway road that is not wholly closed to traffic". Headphones that work by conducting sound through bones and do not sit in the ears are acceptable.

Runners wearing headphones to listen to music or similar, thus preventing them from hearing approaching traffic or instructions from Marshals, may be disqualified.
